Kalos Press (an imprint of Doulos Resources) announces release of latest title, *The Exact Place: a memoir* by Margie L. Haack.

Murfreesboro, TN, September 29, 2012. [Kalos Press](#) is pleased to announce the release of its latest title, *The Exact Place*, a memoir by Margie L. Haack. *The Exact Place* is the heart-felt recounting of the author's childhood, including the death of her father, her integration into a new family, and her journey to faith.

Even before its release, Byron Borger of Hearts & Minds Books (Dallastown, PA) and the BookNotes blog named *The Exact Place* as one of the top 10 memoirs of Summer, 2012 ([link](#)).

Commenting about *The Exact Place*, Andi Ashworth (author of *Real Love for Real Life* and Co-Director of The Art House America) said, "when a book of such excellence is birthed into the world, it is cause for much rejoicing." Wesley Hill (author of *Washed & Waiting: reflections on Christian faithfulness and homosexuality*) remarked, "artful, unpretentious, humorously self-disclosing, her prose lilt and beguiles, telling of life in rural Minnesota with faith and perception that recall Leif Enger or Patricia Hampl." And Steve Garber (Founder and Principal of The Washington Institute for Faith, Vocation, and Culture) declared, "readers of her much-loved essays already know that she is a remarkably-gifted writer able to see into the ordinariness of everyday, and finding unusual grace for all of us; for years we have longed for those tender, truthful windows on life to become a book—and a very good book it is. *The Exact Place* is for Everyman and Everywoman, for children and for grandparents, for the youngest students and the oldest students, for people everywhere who care about a good life, and what it takes to find it."

The Exact Place is available in print for an introductory price of \$14.95; standard SRP is \$16.95; a digital edition, in Kindle/Mobipocket format, is also available for \$4.99. Both can be purchased directly from the Kalos Press website (<http://http://www.kalospress.org/books/books/the-exact-place.html>) and the [Doulos Resources eStore](#) (<http://www.doulosresources.org/store/store.html>).
